

# College Recruiting

## support with player tools + video

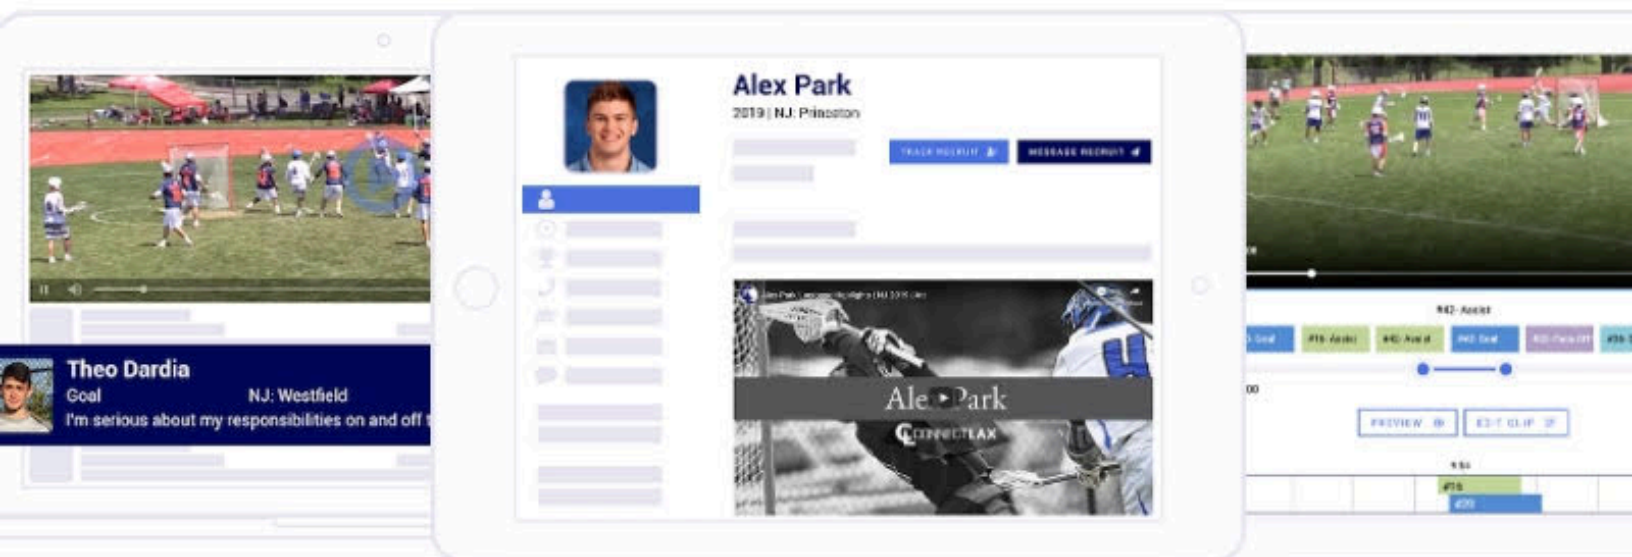

We've partnered with ConnectLAX as part of our recruiting program

**Every player** receives a team-linked recruiting profile, professional highlight video and video library.

**Coaches track** recruiting activity in real-time, keeping everyone organized and on the same page.

**College analysis** provides insights into schools and custom recommendations to families.

**Feature film** directly to college coaches with the roster below, sharing attention across the team.

**Streamline communication** with built-in messaging; put your info at the fingertips of every college.

**Tag teammates** in the video library to expedite highlight videos and teaching purposes.
